

**Dr. Feride Şener Yılmaz**

Dr. Feride Şener Yılmaz has been working at Istanbul Technical University Faculty of Architecture as a research assistant since 2006. She graduated from Gazi University Department of Architecture at 2006 and she received her M.Sc degree graduating from ITU Environmental Control and Building Technology Master Program. She completed ITU Building Science Doctorate program in 2014 and received her Ph.D. degree. She participated in Stuttgart University of Applied Science, Department of Building Physics-Germany at 2008 and in Building Research Establishment-United Kingdom at 2013 as a visiting researcher. Her primary areas of expertise are lighting design in architecture, daylighting and electric lighting, visual comfort, lighting simulation, energy efficiency – sustainability – cost efficiency in buildings and building performance simulation programs.
